Goals, Expectations & Commitment Agreement

GOALS

K9 Crew trainers and volunteers will meet with students quarterly to set goals and work out a plan to achieve those goals.

_____ I understand that I am required to continually reflect on my training days – what went well, what didn't go well, what I have questions about, what I learned, and what I disagree with.

Expectations

K9 Crew students are encouraged and expected to **speak up** when they have questions, don't understand something, forgot something, or even if they disagree with the trainer.

In addition to the above, as a K9 Crew student, I understand that I am expected to:

_____ Take care of and bring training bag and gear to every K9 Crew class/meeting, unless advised by the instructor that it is not necessary. I will not let dogs chew on my training bag or gear (including the ball on a rope).

_____ Clean up any accidents/messes that occur from dogs that I am handling, inside and outside. I will use either my poop bags or the pan/rake/bucket outside the shop to immediately clean up messes.

_____ Clean up after myself. I will put things back where they belong, pick up trash that is dropped, clean up spills, and so on.

_____ Follow the SAFETY RULES.

_____ Participate in K9 Crew events and help with fundraisers as I am able.

_____ Notify Joe (701-799-3130) or Kate (701-799-3130) if I am unable to attend a class or am running late. I understand that an excess of absences will result in a re-evaluation of my participation in the program and possible dismissal from the program.

_____ Dress appropriately for the weather and dog training.
